YOU MADE US PROUD, HIDILYN DIAZ!
Hidilyn Diaz failed to secure a spot in the Olympics after she was unable to lift her second and third attempts in the clean and jerk to tally 222kg. With this, Diaz snapped her streak of Olympic appearances after having competed from the 2008 edition until the 2020 Tokyo Games, where she won the country's first Olympic gold.

Philippine live-action project 'Voltes V: Legacy' gets cinema and TV release in Japan

Toei announced on Tuesday that the Filipino live-action remake of the classic Voltes V mecha anime, "Voltes V: Legacy," will premiere in cinemas in Japan on Oct. 18 as a compilation film screening with both original Filipino audio with JP subtitles, as well as a Japanese dub. In addition, the series version of the project will air in Japanese local television via Tokyo MX this year in fall.

YABANG AT KAPALPAKAN

Si Rodrigo Duterte, puro satsat nung presidente siya. Lahat na lang, porma at hangin pero nung dumating na yung pandemya na dapat magpakita siya ng tunay na liderato, sablay tayo sa lahat ng global rankings sa pag-handle ng COVID. Tayo pa ang nanguna sa pinakamatagal na lockdown sa buong mundo. Hindi nagsisinungaling ang numero. 'Best president' daw, sus, wag kami.

Ang larawang ito ay kuha sa pagbubuntis ni Yaya Dub #MaineMendoza tuwang tuwa ang Daddy #AldenRichards dahil, nagbunga ang pagmamahalan at tumitibok na ang bata sa tiyan ni Maine, patunay ito na yan ang larawan sa pagbubuntis, kamusta kaya ang bata ngayon malaki na at nag-aaral na raw.
Pero ang nakakainis bakit di sila nagkatuloyan eh may anak naman, sayang sana dinamihan na nila ng baby.
Kakamis naman.
